CONDITIONS OF SALE/HEALTH GUARANTEE:

The Seller warrants the dog/puppy to be in good health at the time of sale and that the dog/puppy has received all necessary, age-appropriate vaccinations and de-worming. The dog/puppy has also been examined by the Sellers licensed veterinarian and leaves Sellers possession with a good bill of health.

- **Seller requires Buyer(s) to have the new dog/puppy be examined by a licensed veterinarian within 72 hours of possession so there is no question as to the health of the dog/puppy.** Any request to return the dog/puppy to the Seller for a full refund (minus the deposit) must be made **within** this 72 hour time-period and may only be requested should the dog/puppy prove to be sick upon arrival and/or should the dog/puppy be found to be in poor health or have a health issue of such serious nature that the quality of life will be seriously shortened or seriously altered. Minor health ailments including, but not limited to, fleas or stress-induced diarrhea due to dog/puppy's transition from Sellers home, etc. are not reason for dog/puppy to be returned to Seller. Proof of examination and diagnosis by the Buyer(s) licensed veterinarian must be provided to Seller and Seller's Vet, should Buyer(s) wish to request returning dog/puppy for a refund. The contract will be terminated immediately if Buyer(s) does not have dog/puppy examined within this allotted time frame of 72 hours from possession. *(It is highly suggested that the Buyer(s) make an appointment with their veterinarian well in advance to ensure examination within this time frame).* In any event, Seller is not responsible for any veterinarian expenses.
- **Seller requires Buyer(s) to keep the dog/puppy on a regular vaccination schedule and routine de-worming by a licensed veterinarian.** Seller also requires that the dog/puppy be kept on a monthly heartworm preventative. If these requirements are not met, this contract is null and void.

This dog/puppy has been sold as a pet and is NOT to be used for breeding purposes. Seller requires Buyer(s) to spay/neuter the dog/puppy by the age of six months. Verification is to be sent to the Seller by the end of six months and the licensed veterinarian who surgically performed the altering must sign the document. Failure to send verification to Seller by the end of six months of age will void your guarantee and this contract. Failure to spay/neuter your pet as agreed per this contract shall result in a fine of \$5000.000 USD.

The parents of your new dog/puppy have been selectively bred for excellent quality, health, soundness, intelligence and good temperament. We have taken many steps to ensure that your new dog/puppy comes from the best possible parents. Seller warrants that both the Sire and Dam of your dog/puppy have been genetically tested, including but not limited to having their eyes examined and having their hips X-Rayed and evaluated by the Orthopedic Foundation for Animals (OFA) in the United States. Both Sire and Dam have received a rating of "good" or higher on their preliminary or final reports and are cleared for canine hip dysplasia. ***Buyer(s) understands that although great lengths were taken by Seller to prevent genetic defects and none were found at the time of breeding the Dam and Sire, the dog/puppy cannot be 100% guaranteed against every genetic disorder.***

A warranty for any life-threatening/life-altering genetic condition is provided up until the dog turns 2 years of age. Buyer shall contact Seller immediately within 10 days upon any notices of health problems and/ or any diagnosis from a veterinarian. Seller reserves the right to confirm results prior to a refund or replacement being made and also reserves the right to request a second opinion at the expense of the Buyer. Copies of any reports or findings from the Buyers Veterinarian shall be sent to the Seller for review. Should the dog/puppy be found to have moderate to severe hip dysplasia within this 24-month period, Buyer(s) must provide proof to Seller in the form of official documentation from the OFA within 10 days of diagnosis. A veterinarian cannot make the hip dysplasia diagnosis and the dog/puppy must be sedated for the radiograph to be taken.

- This entire warranty will be terminated immediately and no refund/replacement will be given should a veterinarian suspect that an injury or mistreatment cause or contribute to it's health condition and/or
- This entire warranty will be terminated immediately and no refund/replacement will be given should the dog be found to have been overweight or the developing joints be overstressed at any point during the 24-month warranty period. Buyer(s) Initials: _____

- This entire warranty will be terminated immediately and no refund/replacement will be given if the Buyer has not honored this entire contract, including keep the puppy/dog up-to-date on all vaccinations, de-worming, routine care, etc. and/or had the said puppy/dog spayed/neutered by 6 months of age.

In the unfortunate event that the dog/puppy is diagnosed with hip dysplasia and the all requirements stated in this contract are met, the Seller will agree to one of the following:

1. If Buyer(s) wishes to keep the dog/puppy, Seller will reimburse veterinarian expenses up to 100% of the original purchase price of the dog/puppy. Only the treatment expenses will be refunded, not the diagnostic expenses. OR
2. Replace the original dog/puppy with one of equivalent/comparable quality from Sellers next available litter. If Seller does not have another dog/puppy of equivalent/comparable quality, a refund in the amount of the original purchase price will be given, less any shipping/handling fees. This will be at the Seller's discretion only and will take place only when the original dog/puppy has been returned to the Seller. Any shipping or veterinarian expenses Buyer(s) incurs for the replacement dog and/or to return original dog/puppy to Seller will be Buyer(s) responsibility. If desired, Seller will help Buyer(s) try to find a suitable replacement home for the dog/puppy should Buyer(s) no longer be able to care for the animal. Seller does not give refunds back to Buyer(s) who decide they can't keep the dog/puppy, and Seller will not resell the dog/puppy. Sellers only concern will be to find an appropriate, loving replacement home.

Buyer(s) understands that all dogs/puppies exhibit certain undesirable behavior, such as, but not limited to, nipping, chewing, barking, marking, etc. Buyer(s) is responsible for appropriate training of dog/puppy to correctly teach acceptable behavior and is responsible for proper socialization of dog/puppy. Seller highly suggests dog/puppy be enrolled in an 8 week (at least) training course for your new dog/puppy so you can learn how to train and work with your new dog/puppy.

This contract/guarantee is only applicable to the original Buyer(s) stated in this contract. If dog has been sold or given away, the contract immediately becomes void. Additionally, if the dog has been physically injured or competed in agility at too young of an age, this contract becomes null and void.

Buyer(s) acknowledges that there is no promise (express or implied) that the said dog/puppy will be non-shedding or non-allergenic. Buyer further agrees that the subject dog/puppy's size and color are not predictable and no promise or warranty regarding size, color, coat appearance, or any physical/behavioral trait is made by the Seller.
